Guidance for All:

Our dress is smart and business like to show our respect and care for ourselves and our community. When dressed in their uniform, pupils are representing Trinity Academy and they should look smart and well-presented at all times.

All pupils must wear the correct school uniform to and from school and during the school day. This will also be a requirement for school trips, unless otherwise specified.

All school uniform and physical education kit must be clearly marked with the student's full name. All equipment and footwear must also be named and this will be checked during the student's first lessons.

School physical education uniform must be worn for all PE and Games lessons, after school sports sessions and matches.

The decision of the Headteacher is final and students may not be allowed to participate in the school day if they are not wearing the correct uniform. If this occurs students may be lent uniform or asked to return home to change (following parental contact).
