Adopted by the Governing Body:

Review Period: Annually

Review Date: October 2023

# **Careers Education, Information, Advice and Guidance Policy**

## **1.0 School Vision**

1.1 Trinity Academy seeks to provide a world-class careers programme which meets the Gatsby benchmarks as a minimum and empowers all students to develop high aspirations and a strong sense of purpose. The programme will establish lifelong careers management skills and empower all students to make sense of their education, enabling them to take control of, and responsibility for, career planning and progression, to ensure confidence during preparation for career transitions.

This is achieved through differentiated, impartial and independent information and guidance around a range of career options so as to support well-informed choices for progression.

1.2 The governing body have therefore adopted this policy in order to provide a clear commitment to and framework for Careers Education, Information, Advice and Guidance.

## **2.0 Policy Scope**

2.1 This policy covers Careers Education, Information, Advice and Guidance given to students in Key Stages Three, Four and Five.

2.2 The policy also applies to Year 11 students after they finish their examinations in June of their final year and before they start at their next place of education, employment or training. Though not necessarily in school regularly and attending lessons in July and August of Year 11, the policy is still applicable.

2.3 The policy has been reviewed in line with the recently published DfE guidance document 'Careers guidance and access for education and training providers – Statutory guidance for governing bodies, school leaders and school staff. (DfE, January 2018)

2.4 This policy accepts the eight Gatsby Charitable Foundation's benchmarks as set out in the DfE guidance. Appendix 1 of this policy.

2.5 This policy covers the legal duty of schools to ensure that a range of education and training providers can access pupils in Years 8 to 11 for the purpose of informing them about approved technical education qualifications or apprenticeships. At Trinity, our careers policy applies to pupils in Years 7-11, with consideration for Sixth Form provision.

2.6 This policy refers to events and opportunities across all Key Stages and in all years as these events will impact upon all students at the school.

2.7 All members of staff at Trinity Academy are expected to be aware of this policy and the importance of Careers Education, Information, Advice and Guidance (CEIAG) in the education of students; CEIAG is a shared responsibility for all staff.

2.8 Trinity Academy students should leave school aware of themselves as individuals, aware of the opportunities available and able to make decisions about their career planning. They should be prepared for the transition from full time education to the world beyond. It is to these aspects of personal and social development that this policy will contribute.

### **3.0 Aims:**

3.1 The aims of the Careers Education, Information, Advice and Guidance policy are as follows:

- 3.1.1 Provide good quality independent and impartial careers advice to students which inspires and motivates them to fulfil their potential
- 3.1.2 Provide advice and guidance which is in the best interest of students
- 3.1.3 Contribute to raising achievement; encouraging students to develop high aspirations and consider a broad and ambitious range of careers
- 3.1.4 Provide opportunities to work in partnership with employers, training providers, local FE/HE institutions and other organisation to inspire students through real-life contact with the world of work
- 3.1.5 Develop enterprise and employability skills including skills for self-employment
- 3.1.6 Support inclusion, challenge stereotyping and promote equality of opportunity
- 3.1.7 Encourage students to see career development as a life-long process
- 3.1.8 Support students at key transition points

### **4.0 School Responsibilities**

4.1 The school has a series of statutory duties:

- 4.1.1 All registered students at the school are entitled to receive independent careers advice at least once by Yr 11
- 4.1.2 This careers advice must be represented in an impartial manner, showing no bias towards a particular institution, education or work option
- 4.1.3 This advice must cover a range of education or training options
- 4.1.4 This guidance must be in the best interests of the pupil
- 4.1.5 There must be an opportunity for education and training providers to access pupils in Year 7 – Year 11 in order to inform them about approved technical qualifications or apprenticeships.
- 4.1.6 The school must have a clear policy setting out the manner in which providers will be given access to pupils. This policy and these arrangements must be published.

4.2 The school will ensure its CEIAG programme meets/is working towards meeting all eight Gatsby Benchmarks to meet best practice. A summary of these can be seen in Appendix 1.

4.3 Trinity Academy will operate the CEIAG programme under the philosophy that excellent CEIAG connects learning to the future. It motivates young people by offering a clearer idea of the routes to jobs and careers students will find engaging and rewarding. World-class CEIAG widens horizons, challenges stereotypes and raises aspirations. It provides students with the knowledge and skills necessary to make successful transitions to the next stage of their life. This supports social mobility by improving opportunities for all young people, especially those from disadvantaged backgrounds and those with special educational needs and disabilities.

4.4 The school will continuously monitor/track its CEIAG programme in order to offer and seek further improvement. This will be achieved by continual feedback from key stakeholders to the programme – students, parents, teachers, employers, external organisations.

## **5.0 Governor Responsibilities**

5.1 The governing body will ensure that Trinity Academy has a clear policy on Careers Education, Information and Guidance (CEIAG) and that this is clearly communicated to all stakeholders. They should ensure that this policy is:

5.1.1 As a minimum meeting the eight Gatsby Benchmarks

5.1.2 Meeting the school's legal requirements

5.1.3 Building and reviewing its provision to ensure a world class CEIAG experience for students

5.2 The governing body will ensure that arrangements are in place to allow a range of educational and training providers to access pupils in Years 8 – 11.

5.3 There will be a member of the governing body who takes a strategic interest in CEIAG and encourages employer engagement.

## **6.0 Provider Access**

6.1 Introduction - This section of the policy sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

6.2 All pupils in years 8-13 are entitled:

6.2.1 To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which

provides information on the full range of education and training options available at each transition point;

6.2.2 To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;

6.2.3 To understand how to make applications for the full range of academic and technical courses.

6.3 Appendix 3 shows the way in which education and training providers should get in touch with the school in order to gain access to pupils and/or parents to inform them about further opportunities.

6.4 The school will work with external providers to identify the most effective opportunity to share information about education and training opportunities

## **7.0 Monitoring, Evaluation and Review**

7.1 The Headteacher will ensure that:

7.1.1 The work of the Careers Leader and CEIAG events are supported, including resources and funding as well as monitored

7.1.2 A member of the Senior Leadership Team has an overview of CEIAG work and reports back regularly

7.2 The effectiveness of this policy will be measured in a variety of ways:

7.2.1 Feedback from key stakeholders through mechanisms such as surveys and focus groups (e.g. Future First student survey);

7.2.2 Feedback from external visitors to the school such as the School Improvement Partner (SIP) or Ofsted;

7.2.2 Destination data to identify maintained destinations as well as students who are NEET. This figure can be compared to national figures as well as against the equivalent figure from similar schools both nationally and within the county.

7.3 This policy will be reviewed every year.

## Trinity Academy Bristol Provider Access Policy

### Introduction

This policy statement sets out the school's arrangements for managing the access of providers to the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

### Pupil entitlement

All pupils in years 8 to 13 (although we currently only have years 7 -10) are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

**For pupils of compulsory school age these encounters are mandatory and there will be a minimum of two encounters for pupils during the 'first key phase' (year 8 to 9) and two encounters for pupils during the 'second key phase' (year 10 to 11). For pupils in the 'third key phase' (year 12 to 13), particularly those that have not yet decided on their next steps, there are two more provider encounters available during this period, which are optional for pupils to attend.**

These provider encounters will be scheduled during the main school hours and the provider will be given a reasonable amount of time to, as a minimum:

- share information about both the provider and the approved technical education qualification and apprenticeships that the provider offers
- explain what career routes those options could lead to
- provide insights into what it might be like to learn or train with that provider (including the opportunity to meet staff and pupils from the provider)
- answer questions from pupils.

## Meaningful provider encounters

One encounter is defined as one meeting/session between pupils and one provider. We are committed to providing meaningful encounters to all pupils using the [Making it meaningful checklist](#).

Meaningful online engagement is also an option, and we are open to providers that are able to provide live online engagement with our pupils.

## Previous providers

In previous terms we have invited the following providers from the local area to speak to our pupils:

*•Boomsatsuma, Ask Apprentices, SGS college, City of Bristol College, Rovers Community Trust, Bristol School of Acting, Access Creative, Royal Navy, On site apprentices, Robins Foundation*

## Destinations of our pupils

Our most senior cohort are year 10s so we currently do not have destination data

## Management of provider access requests

### Procedure

A provider wishing to request access should contact Rosalind Keir , Careers adviser and lead at : [careersadvisor@trinityacademybristol.org.uk](mailto:careersadvisor@trinityacademybristol.org.uk) or by phone 0117 4509379

## Opportunities for access

The school offers the six provider encounters required by law (marked in bold text) and a number of additional events, integrated into the school careers programme. We will offer providers an opportunity to come into school to speak to pupils or their parents or carers.

The school will make the theatre, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV equipment to support provider presentations. This can be discussed and agreed in advance of the visit with the Careers Leader or a member of the careers team.

Please speak to our Careers Leader to identify the most suitable opportunity for you.
